

## **Keep Faith: Pray Always**

**Holy God**– Father, Son, and Spirit, to You I pray.  
Teach me how to communicate with You,  
that I may praise, honor, and give thanks,  
for all the graces and blessings  
You have bestowed on me.

Show me the way to pray  
and to help others grow in the faith we share.  
Help me join in prayer with the communion of saints  
and all the souls who await Your final coming.

**Holy God**– Father, Son, and Spirit, to You I pray.  
Praying helps me to know You better,  
to serve and love You more.  
Let me learn to praise Your goodness and kindness.  
Guide me in remembering the stories You told  
to give me an understanding  
of the life You want me,  
and all Your children to lead.  
Enlighten me, Lord, so that I may share my faith  
with my family and friends,  
and all those I teach,  
including those I meet on my journey  
of faith, hope and love.

**Holy God**– Father, Son, and Spirit, to You I pray:  
When I am in trouble, give me courage.  
When I am weak, grant me strength,  
When I am filled with joy, may I be ever grateful.  
When I am touched with sorrow, stay with me.  
When I am called to serve, support my efforts.  
When I am doubtful, renew my faith in You.  
When I am discouraged, fill me with hope.  
When I am unkind or selfish, teach me charity.

**Honor and Glory be to the Father, Son, and Spirit. Amen.**
